MVP

List of features
1. Be able to show restaurants menu options and the prices
2. Be able to show restaurants
3. Be able to see how long a delivery would take
4. Be able to filter by options (Broad and specific)
5. Be able to have a search bar where a user can just search for a specific food or restaurant
6. Be able to sign in/log out
7. Be able to add items to cart and check out

USER STORIES

As a user, I would like to be able to see the restaurants nearby.
As a user, I would like to be able to see the prices of the food I will order.
As a user, I would like to know how long the delivery times are.
As a restaurant owner, I would like to be able to sign up to get my food delivered via this app.
As a restaurant owner, I would like to be able to be able to categorize my menu's cuisine.
As a user, I would like to easily search for a specific food or a restaurant.
As a user, I would like to be able to get healthy food takeout options.
